

# WHY FINANCE

Roughly **79%** of **U.S. businesses**  
- both small and fortune 500 -  
**finance their equipment.\***

## Retain Working Capital

Financing equipment allows for affordable monthly payments so that you can use working capital for day-to-day operational expenses.

## Seasonal Payment Schedule

Protect your positive cash flow during seasonal fluctuations by financing with no money down and flexible 24-72 month finance terms.

## Potential Tax Benefits

IRS Section 179 allows for equipment purchase write-offs. Consult with a tax advisor to take advantage of the benefit.

## Cover All Related Expenses

Finance 100% of your purchase including installation, services, and software with one easy monthly payment.
